“K Conclusion

144 For the above reasons, we have come to the conclusion that the challenge to the constitutional validity of the Reservation Act 2018 is lacking in substance. Following the decision in BK Pavitra I, the State Government duly carried out the exercise of collating and analysing data on the compelling factors adverted to by the Constitution Bench in Nagaraj. The Reservation Act 2018 has cured the deficiency which was noticed by BK Pavitra I in respect of the Reservation Act 2002. The Reservation Act 2018 does not amount to a usurpation of judicial power by the state legislature. It is Nagaraj and Jarnail complaint. The Reservation Act 2018 is a valid exercise of the enabling power conferred by Article 16(4A) of the Constitution.

145 We therefore find no merit in the batch of writ petitions as the constitutional validity of the Reservation Act 2018 has been upheld. They shall stand dismissed. Accordingly, the review petitions and miscellaneous applications shall also stand dismissed in view of the judgement in the present case. There shall be no order as to costs. All pending applications are disposed of."

WÄ| ÖEP e The Karnataka extension of constitution Seniority to Government Servants Promoted on the basis of Reservation (to the
posts in the civil services of the State) Act 2017 gÄ DZÄ+PE AŞACU zAvE F PkPAQAvE CAw aA WÄYÄD aArgAvE

K Conclusion

144 for the above reasons, we have come to the conclusion that The challenge to the constitutional validity of the Reservation Act 2018 in lacking in substance. Following the decision in BK Pavitra I, the State Government duly carried out the exercise of Collating and analysing data on the compelling factors adverted to by the constitution Bench in Nagaraj. The Reservation Act 2018 has cured the deficiency which was noticed by BK Pavitra I In respect of the Reservation Act 2002. The Reservation Act 2018 Does not amount to a usurpation of judicial power by the State Legislature. It is Nagaraj and Jarnail complaint. The Reservation Act 2018 is a valid exercise of the enabling power conferred by Article 16 (4A) of the Constitution.

145 We therefore find no merit in the batch of writ petitions as the constitutional validity of the Reservation Act 2018 has been Upheld. They shall stand dismissed. Accordingly, the review Petitions and miscellaneous applications shall also stand dismissed in view of the judgement in the present case. There Shall be no order as to costs. All pending applications are disposed of.”
